Information

We at *The Immaculate Equestrian Academy Elite* offer the best of both worlds to learners who wish to pursue a career in the equestrian field. Our tutor centre is based South of Johannesburg just off the R82.

We offer learners full day tuition as well as boarding options, from Grade R - 12. We are a registered exam centre. We are registered with CEEPSA and facilitate learning for EQASA exams.

We believe a tried and tested curriculum along with qualified educators and small classes are the recipe for success. We are registered with IMPAQ and follow their CAPS+ curriculum.

We encourage learners and educators to adopt an attitude of family and team work. Although we expect the highest standard of respect and good manners, we encourage our educators and learners to communicate on an equal level, thus ensuring the kind of relationship where learners feel comfortable enough to come to educators with their problems.

We do not tolerate discrimination or bullying of any kind, therefore our academy is nondenominational and multicultural. Religious beliefs are the responsibility of each parent. At The IEA Elite all learners will be expected to keep an open mind with regard to the beliefs of others and not to discriminate in any way.
